Extraordinary "Value-Giving" Sale of Carpets, Rugs, Mattings and Linoleums.

HIS Sale, with its extraordinary offerings, is striking evidence of the advantages to be enjoyed by buying Floor Coverings of an exclusive Floor Coverings House. It is a well-known fact that prices in the wholesale market have advanced considerably during the past season. We anticipated those advances in a way by enlarging our regular orders, and the wisdom of that move is apparent now in our ability to inaugurate this sale of high-grade floor coverings at prices that are on a par with what most dealers are paying at wholesale. All new and desirable patterns in Carpets, Rugs, Mattings and Linoleums are offered at these figures:

He was president of his class last year, is now a member of the Senior Debating Society and is a senior in the law school of Georgetown University. at Georgetown last year, and was also one of the team which debated against Notre Dame last June. He received a gold medal for debating last year as the second best debater in the law school. He is a member of the junior law class at Georgetown, a member of the Junior Society and one of the committee on the law school public debates.

Reorganization Effected.

The reorganization of the debating plans of the Law School of Georgetown has resulted in the formation of two societies, one called the Senior Debating Society, composed of members of the third and fourth year classes, and one called the Junior Debating Society, composed of members of the first and second year classes. Weekly debates are held by each society Saturday evanings. During the course of the year three public debates are held, namely, the first and second term debates and the final prize debate.

The two societies are rivals in the first and second term debates, and in addition to that rivalry there is also an individual contest which leads to the selection of the four contestants for the final prize debate for the prize of \$100.

Owing to the enthusiasm manifested in the public debates the committee in charge of the intercollegiate debates, which now represents the whole university embracing all its departments, has decided to allow the matter of an intercollegiate debate to go over until next year. fourth year classes, and one called the
